

Practice Seeing What's Missing

Fill in the other possible Pole name. Use your intuition to “see” the interdependency with another value pole. (NOTE: There may not be one “right” due to a contextual perspective.)

Example: Structure AND _____. HINT: Ask yourself if Structure alone is enough or if it was overvalued, what would you need? Possible answers for pole names might include: Flexibility, Openness, or Innovation

Focus on Individual AND _____

Focus on my needs AND _____

Task AND _____

Planning AND _____

Participative AND _____

National Interests AND _____

Confidence AND _____

Quantitative AND _____

Inclusive AND _____

Support AND _____
