

Pears Hub: Coronavirus Statement

Pears Foundation are excited to welcome you to Haskell House and into the Pears Hub.

We love being able to share our space with our partner organisations. However, it's important that we take the health and safety of residents, WPG staff and visitors seriously.

Everyone has responsibility for their own safety and the safety of their colleagues.

Please observe the following guidance to help keep everyone comfortable and safe.

Before arrival

Please take a lateral flow test if you can.

If you feel unwell

Please do not come into the Hub if you have symptoms of Covid-19 or have any other reason to think that you may have it: <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/>

If a member of your household has Covid-19 please consider carefully whether or not to come in as there could be more vulnerable people working in the Hub.

Use of the office

The Pears Hub is a communal, open plan space and some users may be more vulnerable, or prefer more social distancing, than others.

Please give other Hub users space and do not use the kitchen if someone is already in there.

If you are using one of the Hub desks, please keep to a clear desk policy. This enables easier and more thorough cleaning of workspace areas.
